PUBLIC COMMENT

Mr. Montferrat opened the floor for any public comments.

The Planning Board does not oversee the Construction Dept. Mr. Rosensweig and Mr. Montferrat will discuss this matter with George Chin and will respond to his letter.
2. Leslie Koppel, Executive Director, RISE-Community Action Service Center, 116 North Main Street – The A-Frame signs are very important and necessary for our businesses. The signs are an important tool for all the businesses. Mr. Stults explained the Planning Board’s decision for the moratorium and reviewed the proposed changes that the Board will be considering tonight. Downtown Hightstown also feels that the signs are beneficial to the local businesses. The Planning Board will finalize the ordinance and include designs, descriptions and specific materials to be used for the A-Frame signs. Later in this meeting we will discuss establishing a temporary renewal until a new ordinance is adopted.

There being no additional public comments, the public portion of the meeting was closed at 7:55 p.m.

NEW BUSINESS

- a) Preliminary Application Review Committee (Mr. Lane, Mr. Musing and Mr. Honsel) – Two upcoming projects which need to be reviewed by the Application Review Committee.
 1. Joe Mannino, Block 31, Lot 6, Church Street – develop vacant property. The Subcommittee will schedule a meeting within the next two weeks.
 2. Purchase and demo of 210 Academy Street to build a new multi-family residence – interested in meeting with the subcommittee to discuss project. Referred to the subcommittee.

Mr. Monteferrat is also available to attend the subcommittee meeting if needed.

b) Borough Council Referrals

1. Clothing Bin Ordinance – This ordinance was proposed several years ago and to date it has not been adopted. Mr. Rosensweig noted that the ordinance is consistent with the law and you must be a registered charitable organization. There is a limit on the location and number of bins. Currently the Borough has no restrictions on clothing bins. Adoption of the ordinance will provide guidance for the zoning officer.

Discussion regarding locations – “At Hightstown Municipal parking lots” – remove this item.

Planning Board has reviewed the ordinance “Amending and Supplementing Chapter 28, Entitled “Zoning” of the “Revised General Ordinance of the Borough of Hightstown, New Jersey.” Pertaining to Clothing Bins –Section 2 – Clothing Bins, Locations and Permits -- The Planning Board proposed the following change – delete the second paragraph “~~At Hightstown Municipal parking lots (1 bin per site).~~”

Motion made to refer the proposed clothing bins ordinance as amended back to the Borough Council for their action. Motion made by Mr. Lane and seconded by Mayor Quattrone.

Roll Call Vote: Mr. Montferrat, Mr. Stults, Mayor Quattrone, Mr. Hansen, Mr. Lane, Mr. Musing, Ms. Colavecchi, Mr. Mulleavey and Mr. Honsel voted yes. Mr. Searing and Mr. Balcewicz were absent. **Motion passed 9-0.**

2. Tax Exemption Ordinance and accompanying resolution of determination – Discussion. Mr. Rosensweig gave an overview of the proposed resolution which would permit residential properties in need of rehabilitation to obtain limited tax exemption relief. This ordinance would designate the entire area of the Borough to be an “area in need of rehabilitation.” The improvements to the property would be tax exempt for a period of five (5) years only. Ms. Lee suggested that this could also be beneficial to the downtown commercial properties. Discussion on also including the commercial properties.

Planning Board approves the Tax Exemption Ordinance and accompanying resolution of determination with the proposed addition - recommends that the Borough Council consider including “**retail properties**” as part of the “area in need of rehabilitation.”

Motion made by Mayor Quattrone and seconded by Mr. Lane.

Roll Call Vote: Mr. Montferrat, Mr. Stults, Mayor Quattrone, Mr. Hansen, Mr. Lane, Mr. Musing, Ms. Colavecchi, Mr. Mulleavey and Mr. Honsel voted yes. Mr. Searing and Mr. Balcewicz were absent. **Motion passed 9-0.**
