PUBLIC COMMENT

OLD BUSINESS

- Vision Zero **Next Steering Committee Meeting October 28**
- Master Plan Reexamination. **Bev reported that the Planning Board's presentation to Council on October 21 went very well. Council Members were very supportive of the report, including the new statement of goals and objectives and the new zoning recommendations. The Planning Board will now proceed with approval at the November meeting.**
- Discussion: Recommendations to Council/Annual Report **The Committee discussed the content for the report. Bev will gather information identified from the Committee's comment memos to Council and meeting minutes for review next month.**

NEW BUSINESS

- Update on crosswalk painting, Project List **The Committee discussed the status of our recommendations to repaint specific crosswalks from 2022.**

The County had agreed to add some to their workplan that year and Public Works was to do the rest as part of their annual work. It's not clear which, if any, were done. Henry will do a more thorough inspection and report back.

- Flipped car right next to WCB school last week. The Committee discussed the police chase that originated outside Hightstown and resulted in a car speeding down Stockton and its failure to navigate a turn onto Harron Avenue.
